Solution-driven Full Stack Developer adept at contributing to a highly collaborative work environment, finding solutions and determining customer satisfaction with a background in high level customer service. Dedicated to perfecting my craft by learning from more seasoned developers and continuously making strides to learn all that I can about development. Proven experience developing consumer-focused websites and apps using HTML, CSS, and Javascript. Full Stack Developer Certificate from University of Denver, receiving high regard from instructors regarding web design, user experience, best practices and speed. Designed and developed web applications across multiple API's, third-party integrations and databases. Leveraging 14 years of customer service experience to become an asset to a company, by bringing my strong dedication, responsibility, and motivation.

EXPERIENCE

We Are Dialekt   **June 2021-Present**
Intern   **Denver, CO**
Building a custom database for Denver based non-profit organization, Elevating Connections.
Key Accomplishments:
- Chosen by a member of the instructional staff from bootcamp, I was asked to participate in this project based on my performance and my consistency to succeed during the bootcamp.
- Building a large scale database from scratch, that meets the clients needs in order to run the organization.

En Gedi Salon   **2013-Present**
Independent Hair Stylist   **Castle Rock, CO**
Delivered high attention to detail while utilizing my creativity, and implementing effective communication with my clientele.
Key Accomplishments:
- Managing my own business, with a high level of customer service.
- Maintaining my schedule, clients, inventory, and finances from beginning to end.

Floyd's 99 Barbershop   **2009-Present**
Hair Stylist   **Aurora, CO**
Build relationships with customers from all walks of life in a fast-paced, high-energy barbershop.
Key Accomplishments:
- Translated client requests into polished, high-level styles.
- One of the shop's top performing stylists in productivity and retail.
- Won the shop's Stylist Appreciation award from customer entries.

Just Associates, Inc.   **Aug 2016 - June 2019**
Patient Identity Expert - Level 4   **Denver, CO**
Determined medical record's eligibility to be merged, and consistently chosen for increasingly difficult projects due to my high level of accuracy and timely manner of completion.
Key Accomplishments:
- Experience with multiple databases and client systems, including: EPIC, Nextgate, All Scripts, Soarian, Meditech, and Cerner.
- Moved up quickly within the company due to my ability to learn quickly and my dedication to projects.
